### **3. Internal continuous evaluation system in place**

Final Year (BE) had a practical course Computer Laboratory II (CLII) in Semester I. Students had an evaluation based on following criteria:

- Assignments: 35 marks
- Oral/Mock exams: 10 marks
- Attendance: 05 marks

Third Year (TE) had a practical course called System Programming and Operating System Laboratory (SPOSL) in Semester II. Students were evaluated using the following criteria:

- Assignments: 15 marks
- Oral/Mock exams: 05 marks
- Attendance and regular performance: 05 marks

#### **4. Student's Assessment of faculty:**

Student's feedback is taken for every faculty member at the end of every semester.

Following is the questionnaire that student's answer. Obtained percentage for every question is calculated. If the feedback is poor, suggestions are given to the faculty members for improvement.

1. Do you understand the Lectures delivered by the Teacher?
2. How do you rate the communication skills of the Teachers? Such skills include use of Chalk, dusters, blackboard, OHP, way of speaking.
3. Are the lectures fluent / topics well organized?
4. How about the speed at which the teacher speaks while delivering the lecture?
5. Are the lectures legible and with proper diction?
6. Are the lectures lively & interesting?
7. Does the Teacher discuss Practical Applications of the theory covered in the class? (Wherever applicable)
8. Does the teacher encourage you to ask questions in the class?
9. Is the teacher able to answer your question & solve your difficulties?
10. Is the teacher available for solving your difficulties outside the class hours
11. How is the attitude & the behavior of the Teacher towards students within & outside the class?
12. Teacher is supposed to engage 100% lectures as per the timetable & what is his/her percentage?
13. Is the Teacher punctual to the class?
14. Do you have any suggestions about the Teachers?
