Dear Sir,

Subject: Retainership Letter

With reference to the discussions on the subject matter, we are pleased to inform you, that you have been appointed on retainership basis for the period of one year effective November 1, 2017 to October 31, 2018.

You will be paid an honorarium of Rs. 50,000/- (Rs. Fifty Thousand Only) per month as retainership fee and GST as applicable.

During this period, you will work with RIC Group and will be mainly working on below objectives:-

1. Working with Cummins Supplier on validating of new cooling system designs
2. Modeling, simulating, evaluating and validating new designs for cooling systems
3. Thermal management of power electric components
4. Systems modeling, simulation and 'design for efficiency' for Cummins applications
5. Advisory role for other project in function of thermal and fluid systems

Your appointment is purely on retainership basis for a period of one year and it will automatically come to an end at the close of working hours on October 31, 2018. You will be governed by the supplier code of conduct.

Either party shall have the right to terminate this agreement by giving one month's prior notice in writing.

Please sign the duplicate copy of this letter as a token of acceptance to this extension of contract and the terms and conditions thereof.

For Cummins India Limited,

Audrey Joshi
HR Leader ABO Line Functions

Dear Nidhi,

Congratulations! This letter serves as your official notification of admission to the Graduate School of Purdue University. I am delighted to welcome you to a community of more than 10,000 graduate students on our five campuses who come to us from every state in the Union and from more than 120 countries.

The information contained within the admission information sheet of this letter is essential to your enrollment. Careful reading of this material will make your transition to the Graduate School as smooth as possible. If you are unable to register for the session specified on the second page, please notify the graduate office of your academic program as soon as possible. Your academic program's graduate office also will be able to answer specific questions you may have concerning your admission and funding.

You already know the strengths of Purdue's graduate programs. I hope that you will come to regard the Graduate School as your second academic home during your time at Purdue University. The Graduate School has developed special programs for its students and is committed to the professional development of all Purdue graduate students. Our goal is to enhance the quality of graduate student life. The Graduate School Web site at www.purdue.edu/gradschool is your source for detailed information about our programs, graduate student government and organizations, and the community.

We hope that you choose Purdue <<https://www.purdue.edu/gradschool/advancetopurdue.html>> and join us to make what moves the world forward!

Click here <<https://gradapply.purdue.edu/apply/form?id=5327be2d-1128-4544-9696-acb76415f2a3>> to submit your response to the offer of admission.

With best wishes for success at Purdue,

M. J. T. Smith, Ph.D.
Dean of the Graduate School
Michael J. and Katherine R. Birck Professor
Of Electrical and Computer Engineering

Admission Information Sheet for Nidhi Sakhala

PUID: 0029951613

Campus: West Lafayette (Main Campus)

Graduate Major: Computer and Information Technology

Course Delivery: On-Campus

Degree Objective: Master of Science (MS)

Term/Year: Fall 2017

Academic Advisor: Prof. John Springer

Residence Classification for Tuition Purposes:

Non Resident

Condition(s) of Admission

You must satisfactorily complete your undergraduate degree and submit to the Graduate School office (Young Hall, Room 170) your final undergraduate transcript. This condition must be satisfied before you will be permitted to register for sessions beyond your first session.

You must submit to the Graduate School office (Young Hall, Room 170) your original undergraduate diploma for verification. This condition must be satisfied before you will be permitted to register for sessions beyond your first session. If your undergraduate institution will not confer your degree until a future date, please obtain (and submit to the Graduate School office) a signed letter from your undergraduate institution that identifies when your degree will be awarded.

General Information

All faculty, staff and students have a career account. Your career account will give you electronic access to your @purdue.edu email account and other electronic services. This account is yours to use for as long as you are affiliated with Purdue University. You will need your PUID, which is provided in this letter, and your Purdue career account set-up password. The career account set-up password will be sent in a separate email to you within five business days of viewing your admission letter. Please access

<https://www.purdue.edu/apps/account/AccountSetup> with this information to activate your account. If you have already activated your Purdue career account, please disregard this message.

US Immigration Document: In order for the Office of International Students and Scholars (ISS) to issue you a US immigration document (I-20 or DS-2019), admitted international graduate students to Purdue University are required to complete the online NOTIFICATION OF INTENT (NOI), at the following link:<https://connect.iss.purdue.edu>. You must also attach scanned images of your official financial support documents, and you and your dependent's (if any) passport before an immigration document will be prepared and mailed.

In the section labeled "Full client Services for Students & Scholars", please click the blue Login button. Use your Purdue career account information to log in to myISS. On the left side of the myISS home page, click on Pre-Arrival, then click on Notification of Intent. You must complete all mandatory sections of the Notification of Intent, before we can begin to issue an I-20 or DS2019 for you. If you currently hold F-1 or J-1 status and are transferring to Purdue University from another US Institution, please also complete the SEVIS Transfer In Request.

International Students Interested in Graduate Teaching Assistantships: Before you may be considered for employment as a Purdue University graduate teaching assistant, you must receive certification for oral proficiency in English. Please note that any waiver of the TOEFL or IELTS (related to Graduate School admission) does not exempt students from the requirement to demonstrate proficiency in spoken English in order to be considered for a graduate teaching assistantship. Most graduate students are certified by taking Purdue's Oral Proficiency Test (the OEPT). Information about oral English certification for international students and access to the OEPT Practice Test is provided at the OEPT Orientation Website:<http://oepttutorial.org>. Make sure you have prepared for English language testing by taking the OEPT practice test, and if you have any questions about your department's English language certification requirements for international teaching assistants, please contact your department.

Important Tax Information for International Students: Each year, international students who receive any income originating from the United States are required to file a United States income tax return (Internal Revenue Tax Form 1040NR). International students pay tax on all income earned in the United States at the same rate as United States citizens. If there is a tax treaty between your home country and the United States, you may not be required to pay income taxes on a portion of your income.

Campus and Community Information: For information about Purdue University housing, and the Greater Lafayette community, visit www.purdue.edu/gradschool/admitted/relocation/.

Student Health Center: Completion of a medical history form and health insurance coverage is required. Links to the medical history form and additional health insurance information may be found at the Purdue University Student Health Center website: <http://www.purdue.edu/PUSH/>.

Housing: Purdue University Residences has housing for single graduate students in 1 person one bedroom apartments and 2 person two bedroom apartments. The space is furnished with bed, desk, and dresser for each student, and includes a kitchen with refrigerator and stove. Unfurnished one and two bedroom apartments are also available for married students or students with families. For more information, please contact the University Residences Directors' Office at ghapp@purdue.edu. <<mailto:ghapp@purdue.edu>>

Disability Services: If you need accommodations, auxiliary aids, or services because of permanent or temporary disabilities, please contact the Disability Resource Center, Office of the Dean of Students, Young Hall, Room 830, 155 S. Grant Street, West Lafayette, IN 47907. Telephone: 765-494-1247 (Voice/TTY). Web site: www.purdue.edu/drc/

Orientation for New Graduate Students: You are invited to attend a orientation for new graduate students on

Friday, August 18, 2017, beginning at 9:00 a.m. in Stewart Center's Loeb Playhouse. Your graduate program may also have an orientation or a required arrival date. If you have any questions, please contact your program prior to planning your arrival.

Any questions or required materials can be submitted to:

SCHOOL ATTESTATION

I certify under penalty of perjury that all information provided above was entered before I signed this form and is true and correct. I executed this form in the United States after review and evaluation in the United States by me or other officials of the school of the student's application, transcripts, or other records of courses taken and proof of financial responsibility, which were received at the school prior to the execution of this form. The school has determined that the above named student's qualifications meet all standards for admission to the school and the student will be required to pursue a full program of study as defined by 8 CFR 214.3(f)(6). I am a designated school official of the above named school and am authorized to issue this form.

Hello Boilermaker!

You will find your new I-20 or DS-2019 included with this packet. Please review the information below carefully as you plan your journey to the United States.

Please do not make your travel arrangements until you have your visa in hand AND you have read the information below!

Follow this link to find helpful information about traveling to the United States to begin your academic program: <https://studyinthestates.dhs.gov/getting-to-the-united-states>

Please keep the following in mind as you prepare for departure:

___ You may not enter the US more than **30 days prior to the program start date that appears on Page 1 of your I-20 or DS-2019**. Please plan your travel accordingly!

___ You must pay the SEVIS I-901 fee online prior to going for your visa appointment.
Canadians must pay the fee prior to entering the U.S. <https://www.fmjfee.com/>

___ Before attending a **Mandatory International Student Check-in Session (MISCi)** you must complete the **Pre-Arrival & Orientation** e-forms. Visit <https://connect.iss.purdue.edu/> and submit the "New Student Check-In (PWL)" and "Upload I-94 Arrival Record (After US Arrival)" e-forms. Watch the required immigration video <http://www.iss.purdue.edu/Resources/Presentations/Immigration.cfm> then you **MUST** come to the ISS office during walk-in hours (MTWF 9:00-11:30 a.m.; MTWTHF 1:30-4:00 p.m.) to complete your **MISCi** session. Please remember to bring all documents including passport, visa, I-20 and I-94 record.

___ Please visit the following link to help with Purdue University pre-arrival questions: <http://www.iss.purdue.edu/Resources/Docs/Incoming/WOWed.pdf>

___ You must present your **Original I-20 or DS-2019(NO COPIES), Valid Passport, Valid F1 or J1 visa and original financial documents** when entering the U.S. Please place them in your carry-on luggage, and have them in your hand when you meet with the Customs and Border Protection Officer at the Port of Entry.

___ The *I-94 record of admission* is entered electronically for individuals entering the U.S. through air and sea ports. We encourage you to print your I-94 record of admission as soon as possible **AFTER** entering the U.S.: www.cbp.gov/I94

We are Purdue. What we make moves the world forward.

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

Dear Vaishnavi,

Congratulations! This letter serves as your official notification of admission to the Graduate School of Purdue University. I am delighted to welcome you to a community of more than 10,000 graduate students on our five campuses who come to us from every state in the Union and from more than 120 countries.

The information contained within the admission information sheet of this letter is essential to your enrollment. Careful reading of this material will make your transition to the Graduate School as smooth as possible. If you are unable to register for the session specified on the second page, please notify the graduate office of your academic program as soon as possible. Your academic program's graduate office also will be able to answer specific questions you may have concerning your admission and funding.

You already know the strengths of Purdue's graduate programs. I hope that you will come to regard the Graduate School as your second academic home during your time at Purdue University. The Graduate School has developed special programs for its students and is committed to the professional development of all Purdue graduate students. Our goal is to enhance the quality of graduate student life. The Graduate School Web site at www.purdue.edu/gradschool is your source for detailed information about our programs, graduate student government and organizations, and the community.

We hope that you choose Purdue <<https://www.purdue.edu/gradschool/advancetopurdue.html>> and join us to make what moves the world forward!

Click here <<https://gradapply.purdue.edu/apply/form?id=5327be2d-1128-4544-9696-acb76415f2a3>> to submit your response to the offer of admission.

With best wishes for success at Purdue,

M. J. T. Smith, Ph.D.
Dean of the Graduate School
Michael J. and Katherine R. Birck Professor
Of Electrical and Computer Engineering

Admission Information Sheet for Vaishnavi Radkar

PUID: 0029942209

Campus: West Lafayette (Main Campus)

Graduate Major: Mechanical Engineering

Course Delivery: On-Campus

Degree Objective: MS in Mechanical Engineering (MSME)

Term/Year: Fall 2017

Academic Advisor: Prof. Jay Gore

Residence Classification for Tuition Purposes:

Non Resident

Condition(s) of Admission

You must satisfactorily complete your undergraduate degree and submit to the Graduate School office (Young Hall, Room 170) your final undergraduate transcript. This condition must be satisfied before you will be permitted to register for sessions beyond your first session.

You must submit to the Graduate School office (Young Hall, Room 170) your original undergraduate diploma for verification. This condition must be satisfied before you will be permitted to register for sessions beyond your first session. If your undergraduate institution will not confer your degree until a future date, please obtain (and submit to the Graduate School office) a signed letter from your undergraduate institution that identifies when your degree will be awarded.

General Information

All faculty, staff and students have a career account. Your career account will give you electronic access to your @purdue.edu email account and other electronic services. This account is yours to use for as long as you are affiliated with Purdue University. You will need your PUID, which is provided in this letter, and your Purdue career account set-up password. The career account set-up password will be sent in a separate email to you within five business days of viewing your admission letter. Please access

<https://www.purdue.edu/apps/account/AccountSetup> with this information to activate your account. If you have already activated your Purdue career account, please disregard this message.

US Immigration Document: In order for the Office of International Students and Scholars (ISS) to issue you a US immigration document (I-20 or DS-2019), admitted international graduate students to Purdue University are required to complete the online NOTIFICATION OF INTENT (NOI), at the following link:<https://connect.iss.purdue.edu>. You must also attach scanned images of your official financial support documents, and you and your dependent's (if any) passport before an immigration document will be prepared and mailed.

In the section labeled "Full client Services for Students & Scholars", please click the blue Login button. Use your Purdue career account information to log in to myISS. On the left side of the myISS home page, click on Pre-Arrival, then click on Notification of Intent. You must complete all mandatory sections of the Notification of Intent, before we can begin to issue an I-20 or DS2019 for you. If you currently hold F-1 or J-1 status and are transferring to Purdue University from another US Institution, please also complete the SEVIS Transfer In Request.

International Students Interested in Graduate Teaching Assistantships: Before you may be considered for employment as a Purdue University graduate teaching assistant, you must receive certification for oral proficiency in English. Please note that any waiver of the TOEFL or IELTS (related to Graduate School admission) does not exempt students from the requirement to demonstrate proficiency in spoken English in order to be considered for a graduate teaching assistantship. Most graduate students are certified by taking Purdue's Oral Proficiency Test (the OEPT). Information about oral English certification for international students and access to the OEPT Practice Test is provided at the OEPT Orientation Website:<http://oepttutorial.org>. Make sure you have prepared for English language testing by taking the OEPT practice test, and if you have any questions about your department's English language certification requirements for international teaching assistants, please contact your department.

Important Tax Information for International Students: Each year, international students who receive any income originating from the United States are required to file a United States income tax return (Internal Revenue Tax Form 1040NR). International students pay tax on all income earned in the United States at the same rate as United States citizens. If there is a tax treaty between your home country and the United States, you may not be required to pay income taxes on a portion of your income.

Campus and Community Information: For information about Purdue University housing, and the Greater Lafayette community, visit www.purdue.edu/gradschool/admitted/relocation/.

Student Health Center: Completion of a medical history form and health insurance coverage is required. Links to the medical history form and additional health insurance information may be found at the Purdue University Student Health Center website: <http://www.purdue.edu/PUSH/>.

Housing: Purdue University Residences has housing for single graduate students in 1 person one bedroom apartments and 2 person two bedroom apartments. The space is furnished with bed, desk, and dresser for each student, and includes a kitchen with refrigerator and stove. Unfurnished one and two bedroom apartments are also available for married students or students with families. For more information, please contact the University Residences Directors' Office at ghapp@purdue.edu. <<mailto:ghapp@purdue.edu>>

Disability Services: If you need accommodations, auxiliary aids, or services because of permanent or temporary disabilities, please contact the Disability Resource Center, Office of the Dean of Students, Young Hall, Room 830, 155 S. Grant Street, West Lafayette, IN 47907. Telephone: 765-494-1247 (Voice/TTY). Web site: www.purdue.edu/drc/

Orientation for New Graduate Students: You are invited to attend a orientation for new graduate students on Friday, August 18, 2017, beginning at 9:00 a.m. in Stewart Center's Loeb Playhouse. Your graduate program may

also have an orientation or a required arrival date. If you have any questions, please contact your program prior to planning your arrival.

Any questions or required materials can be submitted to:

Purdue University Graduate School

Office of Graduate Admissions

Young Hall Room 170

Hello Boilermaker!

You will find your new I-20 or DS-2019 included with this packet. Please review the information below carefully as you plan your journey to the United States.

Please do not make your travel arrangements until you have your visa in hand AND you have read the information below!

Follow this link to find helpful information about traveling to the United States to begin your academic program: <https://studyinthestates.dhs.gov/getting-to-the-united-states>

Please keep the following in mind as you prepare for departure:

_____ You **may not** enter the US more than **30 days prior to the program start date that appears on Page 1 of your I-20 or DS-2019**. Please plan your travel accordingly!

_____ You must pay the SEVIS I-901 fee online prior to going for your visa appointment.
Canadians must pay the fee prior to entering the U.S. <https://www.fmjfee.com/>

_____ You must complete a **MANDATORY international student check-in** session upon arrival to protect your F-1 or J-1 Non-immigrant Status. If you haven't already done so, be sure to schedule your check-in session time at the following link <https://www.iss.purdue.edu/ocs/>

_____ You must complete the **Pre-Arrival & Orientation e-forms BEFORE** attending your **MISCi session**. You can do so by visiting <https://connect.iss.purdue.edu/> and submitting the "New Student Check-In (PWL)" and "Upload I-94 Arrival Record (After US Arrival)" e-forms.

_____ Please visit the following link to help with Purdue University pre-arrival questions: <http://www.iss.purdue.edu/Resources/Docs/Incoming/WOWed.pdf>

_____ You must present your **Original I-20 or DS-2019(NO COPIES), Valid Passport, Valid F1 or J1 visa and original financial documents** when entering the U.S. Please place them in your carry-on luggage, and have them in your hand when you meet with the Customs and Border Protection Officer at the Port of Entry.

_____ The I-94 *record of admission* is entered electronically for individuals entering the U.S. through air and sea ports. You may view your electronic record of admission **AFTER** you have entered the U.S. We encourage you to print your I-94 record of admission as soon as possible after entering the U.S.: www.cbp.gov/I94

We are Purdue. What we make moves the world forward.

REMARKS

SCHOOL ATTESTATION		
I certify under penalty of perjury that all information provided above was entered before I signed this form and is true and correct. I executed this form in the United States after review and evaluation in the United States by me or other officials of the school of the student's application, transcripts, or other records of courses taken and proof of financial responsibility, which were received at the school prior to the execution of this form. The school has determined that the above named student's qualifications meet all standards for admission to the school and the student will be required to pursue a full program of study as defined by 8 CFR 214.2(f)(6). I am a designated school official of the above named school and am authorized to issue this form.

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Step 5800, Washington, DC 20536-5800. Do not send the form to this address.

Certificate of Completion

It gives us immense pleasure to certify the student group
comprising of

Miss Ghule Deepali Mahdeo

Miss Bhujbal Priyanka Manohar

Miss Kotkar Mayuri Bhalchnadra

Miss Somoshi Shradha Vilas

for completing the project titled “ Analysis on Customer Data,
Designing Billing system and Inventory tracking system” for
Aarohana EcoSocial Developments.

This project is completed as a partial fulfilment of their
undergraduate degree of Information Technology from Savitribai
Phule Pune University.

This project was completed under the guidance of

Prof Mrs Madhura Tokekar.

We are satisfied with his performance and we thank the college for
students children into better citizens by helping social enterprises
like ours!

Letter of recommendation

To whom so ever it may concern

We have gone through the Project proposal entitled 'Experimental investigation for developing cost effective method to predict remaining useful life of engine oil' submitted by Dr. Anand Bewoor and Harish Shinde of MKSSS'S Cummins College of Engineering for Women, Pune for research funding.

Earlier research results demonstrated that further research is needed in predicting remaining useful life of engine oil to fully grasp the phenomenon. This proposed project will contribute to answering some of these questions. We believe proposed project will benefit to community/research in general and also the end user.

We are pleased to support this research project. A brief profile of my organization is summarized below:

- Name of Organization: Valvoline Cummins Private Limited
- Line of Business: Manufacturing & Marketing of Lubricants
- No. of employees: 400+
- Annual Turnover: INR 1200 Crores

We hope funding to this research proposal will be of help to complete the said research.

With Best Regards,

SK Mukherjee

CERTIFICATE

This is to certify that Ms. Amruta Kamble, 4th year B. Engg., student of MKSSS's Cummins College of Engineering for Women, Pune has undergone Summer Project Training at Materials Science Division, Bhabha Atomic Research Centre, Trombay, Mumbai 400 085 from June 1, 2018 to July 13, 2018 under the guidance of Dr. Joy Mittra, SO/G, Materials Science Division.

During the aforesaid period, Ms. Amruta have undergone training on "Prediction of uniaxial tensile behavior for arbitrary aging duration using the comprehensive phenomenological model". Her training involved extensive analysis of tensile data, obtained from aged Alloy 625 samples. Besides determining tensile parameters and correlating the same with the aging temperature and duration she has been able to determine uniaxial tensile plastic stress-strain response precisely for an unknown aging duration. In the process she has been trained in non-linear curve fitting and plotting using Origin software.

During the period of her training, Ms. Amruta Kamble was exceptionally sincere, hardworking and inquisitive.

Our best wishes to Ms. Amruta in all her future endeavours.

Sub: Internship Training for the students of S.Y.B. Tech Mechanical Engineering.

Sir,

This has reference to your letter date 21st November 2017 requesting there by to accommodate Ms. Vaishnavi Shinde for Mechanical Engineering Internship training with a practical on field project at GAIL, LPG Recovery Plant at Usar.

In this connection please be informed that GAIL Management has considered your request and accepted industrial training for a period of 15 days w.e.f. 1st December, 2017 at GAIL, Usar for Ms. Vaishnavi Shinde.

The student is required to adhere to following terms & conditions during above training.

1. The student should bring three copies of their passport sized photographs along with IC issued by his/her institute. One of the photograph to be duly attested by the Principal of Institute for issue of gate pass at our end.
2. The Training will be for maximum period of 15 days w.e.f. 1st December, 2017 on regular working days only.
3. The training timing would be from 0915 Hrs to 1745 Hrs including Lunch Hrs from 1300 Hrs to 1330 Hrs.
4. No Stipend/Boarding /Lodging/Local conveyance/TA/DA would be admissible to the students during the training period.
5. The student will abide by all the safety rules/precautions while inside GAIL Premises.
6. The student is required to come to plant strictly in cotton dress and safety shoes.
7. The students will not be allowed to carry any flammable items/mobile with his/ her inside the plant.

The student will report to the Sh. Ashif Tadvi, Ch. Manager (Mech) for the training through HR Deptt., Usar. Student is required to submit a copy of the detailed report for the project assigned by his/her guide on completion.

On completion of training and submission of Project report, necessary Certificate to this effect will be issued.

Thanking You.
Yours Sincerely

Bio-Efficacy and Relative Performance of Chlorpyrifos and Cypermethrin against Pod Borers Infesting Pigeon Pea.

Mrs. Manisha Jail¹ Dr. Rashmi Urkude² Dr. Lata Deshmukh³

^{1,3} Department of Chemistry, Hislop College, Nagpur.

² Department of Chemistry, Shivaji Science College, Nagpur.

Corresponding Author: Mrs. Manisha Jail

Abstract: Bio-efficacy of chlorpyrifos 20 EC and cypermethrin 25EC was evaluated for two consecutive years in field trials conducted on pigeon pea crop against pod borer, *Helicoverpa armigera*. Using RBD, these pesticides were sprayed two times on pigeon pea crop, one at the stage of 50% flowering and another after 15 days of first spraying i.e. after the interval of two weeks. Performance of chlorpyrifos was evaluated at spray concentrations of 0.05, 0.07 and 0.1% and cypermethrin at spray concentrations of 0.0075, 0.0125 and 0.0175%. In all spray treatments, significant reduction in pod damage was noticed as compared to 20.33% in untreated plot. Although higher concentrations of chlorpyrifos (0.1%) and cypermethrin (0.0175%) were superior to lower concentrations of chlorpyrifos i.e. 0.05, 0.07% and cypermethrin i.e. 0.0075, 0.0125%, respectively. Among the two pesticides chlorpyrifos provided better control on pod borer, *H.armigera*. The pod damage ranged from 7.16 to 10% and 11.49 to 17.99% with respect to spray treatments of chlorpyrifos and cypermethrin, respectively.

Key words: Bio-efficacy, chlorpyrifos, cypermethrin, *Helicoverpa armigera*, infestation, pigeon pea, pod borer, pods.

Date of Submission: 21-03-2018

Date of acceptance: 05-04-2018

I. Introduction:

In the semi-arid tropics and subtropical farming systems, Pigeon pea (*Cajanus Cajan* L. Millsp.) is an important pulse crop which provides high quality vegetable protein, animal feed and firewood. [1] The yield of pigeon pea varies considerably among locations, cultivators, seasons and cropping systems. Insect pests are the greatest cause for yield variation and yield constraint in most of the areas. Over the years it is observed that the crop yields are generally hampered by many pests. [2]

On pigeon pea, more than 200 species of insects have been found feeding, although only a few of these cause significant damage to the crop. Pod borers of pigeon pea consist of gram pod borer (*H. armigera*), tur plum moth (*E.atomosa*) and tur pod fly (*M. obtusa*). Among the various insect-pests attacking this crop, *Helicoverpa armigera* (Hubner) is a cosmopolitan and highly polyphagous insect which attacks numerous crop plants of agricultural importance all over the world.[3,4] and is the major biotic constraint to increasing pigeon pea production.[5]. The productivity of this crop is much low (558haG⁻¹) due to high incidence of insect pests particularly *Helicoverpa armigera* causing damage to 20-57% pods in both early and late varieties, ensuring the losses in seed-yield up to 20% [6]. Chemical insecticides are generally preferred for its control due to their easy availability and applicability. In recent years, this pest has caused serious threat to agriculture due to development of resistance towards commonly used insecticides viz. Carbaryl, Quinalphos etc. [7] and towards synthetic pyrethroids [8] Keeping in mind the above facts, present investigation was carried out in order to find out the efficacy and performance of selected insecticides for management of *Helicoverpa armigera* (Hubner) in pigeon pea.

II. Material And Method:

The field experiments were conducted in Nagpur area during kharif season for consecutive two years i.e. 2012-13 and 2013-14, using randomized block design (RBD) in order to study the bioefficacy of chlorpyrifos (20EC) and cypermethrin(25EC) against pod borer (*H.armigera*) infesting pigeon pea. The trials were carried out in randomized block design with three replications of seven treatments. Three formulations of each pesticide were prepared and applied as presented in Table 2. The each treatment plot was marked with 3m x 3m, having inter replication distance of 1.2 m and 1.8m, respectively (Fig.1). During June, in all the marked treatment plots the pigeon pea seed variety Asha ICPL - 87119 was sown at the spacing of 60 cm x 30 cm in both experimental seasons. All normal agricultural practices were followed for raising the crop as per

recommendation in Maharashtra as given in Table 1. Similar work was done on chlorpyrifos and cypermethrin.[9]

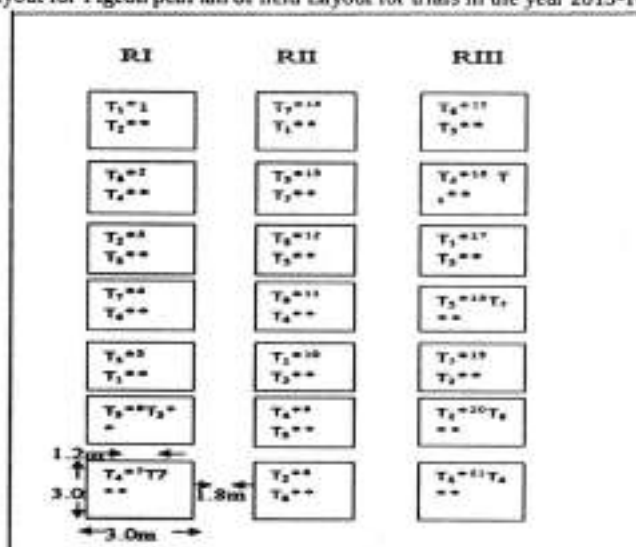

Formulated products of two selected insecticides namely, chlorpyrifos 20% EC and cypermethrin 25% EC were evaluated, with three different concentrations, (0.05, 0.07, 0.1 % active ingredient and 0.0075, 0.0125, 0.0175 % active ingredient respectively. Each concentration was sprayed on pigeon pea plants in three replicated marked plots using knapsack hand operated sprayer by keeping the fluid rate of 500 L/ha. Each insecticidal treatment was applied twice at 15 days interval. The first spray was initiated at 50% flowering stage of the crop when the infestation of *H. armigera* larvae was noticed.

III. Tables and Figure

Table 1. Details Of The Field Experiment:

No.	Particulars	Pigeon pea field details

T₃: Chlorpyrifos 20EC (0.1%) T₆: Cypermethrin 25EC (0.0175%)

Fig. 2: Bioefficacy of Chlorpyrifos and Cypermethrin against podborer on pigeon pea.

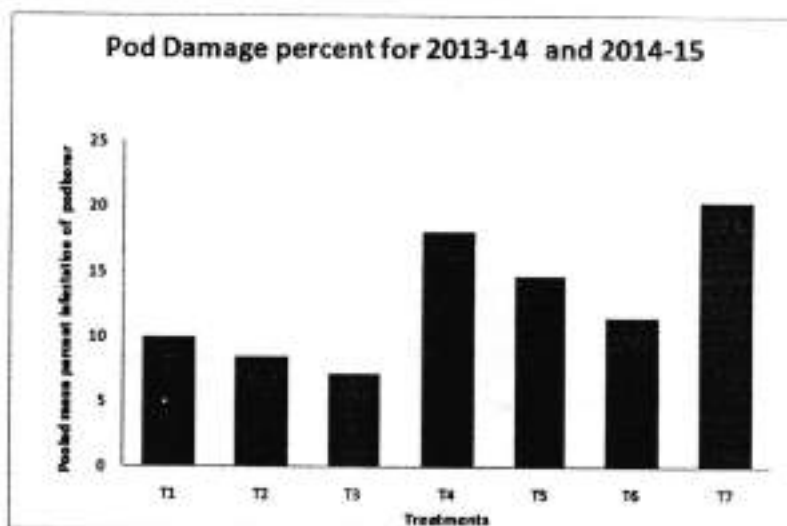

Table 4: Mean percent infestation of the pest based on two years data- Kharif 2013-14 and 2014-15

S.No.	Treatment	Insecticidal Concentration (in percent a.i.)	Arcsine Mean Per cent		Arcsine pooled mean per cent	Original Mean percent infestation
			2013-14	2014-15		
1.	T ₁	Chlorpyrifos 0.05	17.79	19.07	18.43	10.00
2.	T ₂	Chlorpyrifos 0.07	17.11	16.78	16.95	8.49
3.	T ₃	Chlorpyrifos 0.1	14.96	16.08	15.52	7.16
4.	T ₄	Cypermethrin 0.0075	24.85	25.35	25.1	17.99
5.	T ₅	Cypermethrin 0.0125	21.69	23.32	22.5	14.66
6.	T ₆	Cypermethrin 0.0175	19.06	20.56	19.81	11.49
7.	T ₇	Untreated control	26.08	27.51	26.8	20.33

In several studies cypermethrin was evaluated for controlling pigeon pea pests with other pyrethroids and showed low efficacy as compare to other pyrethroids. Thus, cypermethrin was found effective over the other tested pesticides. It was also noticed that cypermethrin treated plots not only had lowest damage but also lowest weight loss and highest yield. [10, 11, 12, 13, 14]. Also in several other investigations chlorpyrifos was evaluated for controlling pigeon pea pest with other pesticides. These studies showed that chlorpyrifos treated plots showed low pod damage and it was also found better than cypermethrin in controlling pod damage which was in support of present investigation. [15] Chlorpyrifos was also reported superior in reducing pod damage in chick pea which even increased biomass and yield. [16] On evaluation of two pesticides in present study, the performance of chlorpyrifos was superior in minimizing the pod damage by pod borer over cypermethrin.

V. Conclusion:

Keeping in view the results obtained in present investigation, two sprays of 0.05 to 0.07% of Chlorpyrifos (20EC) or 0.075 to 0.0125% cypermethrin (25EC) can be advocated at an interval of 15 days, by initiating first spray at 50% flowering of pigeon pea crop for minimizing the losses caused by pigeon pea pod borer. Such pesticidal treatments should be considered risk free to the consumers.

Table 2. Details Of The Insecticidal Treatment Against Pod Borer (*H. Armigera*) On Pigeon Pea:

	Treatment No.	Insecticide	Concentration of insecticide (Trade product)	Concentration used in spray liquid (%)
1	T ₁	Chlorpyrifos	20EC	0.05
2	T ₂	Chlorpyrifos	20EC	0.07
3	T ₃	Chlorpyrifos	20EC	0.1
4	T ₄	Cypermethrin	25EC	0.0075
5	T ₅	Cypermethrin	25EC	0.0125
6	T ₆	Cypermethrin	25EC	0.0175
7	T ₇	Untreated (Control)	----	----

On the basis of damaged pods, the effectiveness of the treatments of selected pesticides was evaluated. After harvesting, observations of pod damage due to *H. armigera* were recorded from five randomly selected plants from each replicated plots. Pods showing characteristic holes made by *H. armigera* were separated out of the total pods from five plants, counted and percent pod damage was calculated and recorded. The data on percent pod damage was further subjected to statistical analysis for comparing the treatments on the basis of critical difference.

IV. Discussion Result And:

The data on pod damage percent due to *H. armigera* podborer on pigeon pea was recorded from two years experiments for all spray treatments of chlorpyrifos (20EC) and cypermethrin (25EC) presented in Table 3, 4 and histogram Fig.2.

After harvesting pigeon pea, pod damage in untreated plot was 20.33% whereas all insecticidal spray treatments were significantly superior in minimizing the pod damage which was in the range of 7.16% to 17.99%. It was also observed that in case of both pesticides with increase in the concentration, resulted in minimizing the pest infestation on pigeon pea crop. When compared the effectiveness between different treatments of chlorpyrifos and cypermethrin insecticides, it was seen that the pod damage percent in all treatments of chlorpyrifos were less than all treatments of cypermethrin after harvesting.

However, difference between 0.07 and 0.1 % spray treatment of chlorpyrifos and 0.0125 and 0.0175% spray treatment of cypermethrin were not prominent. Hence spray concentration in the range of 0.05 to 0.07 % in case of chlorpyrifos and 0.0075 to 0.0125% in case of cypermethrin can be considered more appropriate which will minimize the pesticide quantity and there will be effective control on infestation by pod borer *H. armigera* on pigeon pea.

Table 3: Pod Damage (%) percentage data based on different treatments for two years i.e. Kharif 2013-14 and 2014-15.

Treatment No.	Treatment	Pod Damage % **		
		2013-14	2014-15	Mean
T1	Chlorpyrifos (0.05% a.i.)	9.33	10.67	10.00
T2	Chlorpyrifos (0.07% a.i.)	8.66	8.33	8.49
T3	Chlorpyrifos (0.1% a.i.)	6.66	7.67	7.16
T4	Cypermethrin (0.0075% a.i.)	17.66	18.33	17.99
T5	Cypermethrin (0.0125% a.i.)	13.66	15.67	14.66
T6	Cypermethrin (0.0175% a.i.)	10.66	12.33	11.49
T7	Control	19.33	21.33	20.33

CERTIFICATE
TO WHOMSOEVER IT MAY CONCERN

This is to certify that the following students from "MKSSS's Cummins College of engineering for Women" have successfully completed their B.E. Electronics and telecommunication graduation project titled "Solar based Air Cooler" at Esston Technologies Pvt. Ltd. Pune.

1. Dange Tanvi Sharadrao
2. Das Tapati
3. Gadge Radha Prakash

They have worked on the project from 20/7/2017 to 6/4/2018. Their sincere and disciplined work and outputs are of immense value to us. We wish them the very best in their future endeavours.

Yours truly,

Project Completion Certificate

TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Ms. Sanika Joshi, Ms. Rutuja Kadam, Ms. Sayali Bhamare, Ms. Sakshi Reddy**, pursuing their B.E. (Computer Engineering) from Cummins College of Engineering, affiliated to Savitribai Phule Pune University, have successfully completed their project on “**Automatic customization, configuration and creation of virtual environment**” during the period of **twelve months from July 2017 to June 2018**.

As informed by their Project Guide – Mr. Shantanu Joshi, they completed their project successfully. They were found to be sincere, hardworking and showed keen interest in their assignments during this period.

We wish them all the best for their future endeavours!

For eQ Technologic (India) Pvt. Ltd.,

SHANTANU JOSHI
Manager – QA

Project Completion Certificate

This is to certify that following students from "Cummins College of Engineering For Women" have successfully completed the project titled "Customizable Reports for Simply Compete" :

- Miss Deepa Awhad
- Miss Suyasha Chougule
- Miss Valshnavi Deshpande
- Miss Ankita Gupta

The project is a web-based application which involves users to define their own reports and generate HTML table, as downloadable Excel/PDF report, and also possibly as XML/JSON API for 3rd party systems to query and consume.
The Students were able to implement the project on their own with guidance from me.

Warm Regards,

Mr. Sadanand Karve

To Whom it May Concern:

Subject: Project Completion Certificate

Dear Sir/Madam,

This letter is confirm that students from Cummins College of Engineering For Women have completed a project titled "Web-based Management System for Surgical Distributor". The Students are:

- Ms.Shubhangi Dattatraya Gadadare
- Ms.Snehal Suresh Dhiwar
- Ms.Rupali Onkar Dange
- Ms.Prajakta Babasaheb Gaikwad

The project involves web-based application for Surgical distributor. So Customer will able to see the available products and Place the order. Owner can advertised his surgical products and give the discount on some products. That's how customer can easily visit the site of Surgical Distributor and can buy the product from any location.

The Students were able to implement the project on their own with the little guidance from me. Please feel free to contact me if you require any further information.

Sincerely,

Shubhami Kulkarni,

Owner of Surgicare Distributors,
