NSS Activities in AY 2017 – 2018

Name of the Activity: Blood Donation Camp

Date of the Activity Conduction: 29th August 2017 and 28th February 2018

Short Report of the Activity: Two blood donation camps were arranged by Cummins NSS during this academic year, one on 29th August'17 and the other on 28th February'18 for the entire college. A team of doctors from 'Jankalyan Raktapedhi Blood Bank' had come for blood collection. The blood donation took place in a systematic manner wherein the donor had to fulfil certain weight and haemoglobin criterion, if eligible then they were taken for donation. Food was provided for eligible donors and necessary care was taken. The non-eligible donors were given proper nutrition and diet pamphlets to improve their haemoglobin. The blood donation had a huge response from both the students and faculty, indeed a successful event.
